LME/MCO

Partners
Sandhills
Cardinal
Vaya
Eastpointe

Direct link to MCO's that individuals are affiliated with. Clicking on the MCO you are affiliated with will allow you to obtain information such as 24 hour contact, News and Events provided by the MCO, Enrollment information, and much more.

Other Resources

Medicaid Transformation

Link directly to NC DHHS Website that provides information for all families regarding the Medicaid Transformation including timelines, direct contact information, fact sheets and more.

Care For NC

Link to CareForNC that spotlights individuals with I/DD, creates a statewide partnership across all MCO's to ensure I/DD voices are heard and advocated for. The link provides access to those stories, and information on continuity of care and stability.

NC Provider Council

Link to NCPC that provides an overall support system to all linked providers to allow them to provide quality services and

	to assist with access to care for individuals. The website also includes updated information on legislative initiatives and policies at the state level.
NCPC Bill Tracker	Link to provide you with all current bills at the legislative level directly related to NC I/DD and MH populations. This will be update monthly.
NC APSE	Link to NC Advocacy for People Supporting EmploymentFirst. This link provides ample information regarding support for employment opportunities for individuals with disabilities.
Autism Society	Link to Autism Society of NC providing families of loved ones with Autism links to resources, support and education.
NC DHHS	Link providing information on each division of DHHS including Aging and Adult services, health services, services for the blind and much more.
NC DHHS Child Development	Link directly to NC DHHS Child Development and Early Education, providing parents with links to resources, services and "how to's" related to children's needs.
NC Cares	Link to NC Cares 360 which is a statewide coordinated care network to connect those in need to community resources electronically through a statewide database in turn allowing agencies to obtain feedback and work to create positive outcomes for those in need.
CARF	Link to LIFESPAN's accreditation service, which is obtained every 3 years. This website provides information on all standards that LIFESPAN must meet to be considered one of the best available provider agencies in the business.
Tailored Plan vs. Standard Plan	Link that will provide information on upcoming Medicaid Transformation, detailing the differences of each plan and why choosing the right one is detrimental to the services our individuals receive.

Medicaid Transformation Suspension Updates:

Notice of MMC Suspension	Direct link to a sample letter notifying recipient of suspension and provides further information for questions such as What do I do now, Why did this happen, etc.
Information for Beneficiaries and Providers	Direct link to a Q&A regarding Medicaid Transformation Suspension.
